WELCOME TO EAST GRINSTEAD TOWN

Good evening and a warm welcome for the second time this month to our visitors from East Kent. Let's hope for a quieter night weather-wise if nothing else!

As Richard elaborates in his column, we will be paying tribute to Rhys Wood, who lost his life in a car accident last week, before the game. Rhys played for our third team last season and was known by a lot of people at the club.

Our last win in the League was against a well-fancied side from Kent going well at the top.

It would be great to repeat that tonight and build on the encouraging aspects of Saturday's performance in the 1-1 draw against Lancing. Over to you lads!

East Grinstead Town FC are a Community Amateur Sports Club.

MANAGER'S NOTES

TONY REID

Good evening and welcome back to the OHOB Community Stadium for the visit of Herne Bay.

We had a really good 45 minutes against them earlier this month before the rain got too heavy and the match was rightly abandoned. They have made a strong start to the season and come here in excellent form, so it will take a good performance from us to get three points.

After a couple of under-par performances it was good to get a point from Saturday's game against Lancing, although it's a match we probably should have won after going ahead.

Our goal was scored by Aidan Brown on his debut. Aidan comes to us from Redhill and also played for Sutton United and as well as his finish for the goal I thought his all-round contribution was very good. I'd also like to welcome Diego Carmo, who also made his debut on Saturday. Diego did well for us in wide areas and I'm sure there is lots more to come from both players once they get used to their team-mates and how we want to play.

What we hadn't done in our previous two games against Whitehawk and Sevenoaks was implement the game plan the coaching staff and I had worked on. It's obviously frustrating when they cross the white line and do something completely the opposite to what we expected. It can't be allowed to happen, hence the new faces.

As everyone knows this is a transitional period for the club as we bed down an entirely new squad. Allowances have to be made for that but we're also in a results business. If players don't want to do what we ask them we will get others who do, and I won't have any hesitation in giving opportunities to our under-23s as well.

Finally, a big thank you to our loyal supporters for their continued backing home and away. They recognise that we're at the start of a journey but continue to support me, the staff and the players. They have been very supportive of me which makes me feel quite humble and more determined to get this club up the table and challenging for honours.

Please get behind us again tonight and with a big effort from everyone we can hopefully get a positive result.

Good luck to us - Reidy.

CHAIRMAN'S NOTES

Good evening everybody and welcome to The OHOB Community Stadium for tonight's Pitching In Isthmian League South East Division match against Herne Bay which was rescheduled after the original match was abandoned at half time because of torrential and incessant rain with the score at 0-0.

Firstly I would like to ask everyone to observe a minute's silence in commemoration of Rhys Wood, who tragically lost his life in a road traffic accident in East Grinstead last week. Our sincere heartfelt condolences go out to his family and friends. Rhys played for our third team up to the season before last and had been playing for East Grinstead Meads. He will be fondly remembered by his teammates and the team's management for his passion, dedication and sheer joy of wearing the Wasps' no. 10 shirt. His teammates from both clubs are here tonight, united as one in his memory. Flowers will be laid in the centre circle for the minute's silence and players will be wearing black armbands.

We are also praying that Wasps players Matt Apps and Craig Pither, who sustained serious injuries in the accident, make a full recovery. Our thoughts are with them and their families at this difficult time as well as the loved ones of the two other former Wasps who suffered minor injuries in the accident.

RIP Rhys Wood.

I would like to extend a warm return welcome to the officials, management, players, staff and supporters from Herne Bay, and of course all Wasps supporters as well as this evening's match referee Luis Nunes and his assistants Michele Gallo and Philip Jones. I trust they will all enjoy their visit to East Court and our hospitality.

After eight matches, Ben Smith's Herne Bay are in fourth spot in the League 6 points behind table topping Haywards Heath who they beat Saturday before last, but they have two games in hand.

Wasps conceded with 20 minutes to go against Lancing on Saturday after debutant Aidan Brown had put us in front. After nine matches, we head a group of three Sussex clubs - Burgess Hill and Whitehawk - all three of us with the same record and 8 points and precariously just four points above the bottom two clubs. Tony Reid knows that tonight will be a tough challenge but will be looking for a performance to match our win against second placed Cray Valley PM last month.

On Saturday we travel to VCD Athletic (ko 3pm) and the following Saturday we are at home to Ramsgate. There is one other match here before then and that's on Thursday 4 November when our Under 23s host Carshalton Athletic (7.30pm).

I would like to thank you all for coming along this evening and for being part of the remembrance of Rhys Wood's life. Whatever the outcome of the match, I trust everyone enjoys their visit to The OHOB Community Stadium and I wish you all a safe journey home.

PROGRAMMES FROM THE PAST

A couple of programmes this evening for games played in the past on today's date starting with East Grinstead v Steyning Town on Saturday 26 October 2002.

Both teams were then in division 2 of the Sussex County League and this was a second round match in the league cup for division 2 clubs – we had received a bye in the first round. This competition had been good to us in the recent past with our having reached the semi-finals a couple of times.

However Bruce Talbot's programme notes had to remind us that in early October we had been thrashed 5-0 down at Steyning in a league match – Steyning had considered their performance on that day to have been "awesome" while we considered ours to have been "awful".

Bruce's notes also spoke of the recent signing of a player who was expecting to make his debut for us in this cup match – 17-year-old Drew Cooney – who "we hope will have a long and enjoyable career with us". He may appear 19 years later in this evening's match.

And a bit of a coincidence given that tonight's 2021 game takes place because of the very heavy rain we had three weeks ago which lead to the abandonment of our first match against Herne Bay.

The 2002 programme reminds us that our then recent new drainage system meant that we had played on the previous Tuesday evening despite heavy rain all day and all night - a league match against Wealden (now AFC Uckfield) which we won 3-0.

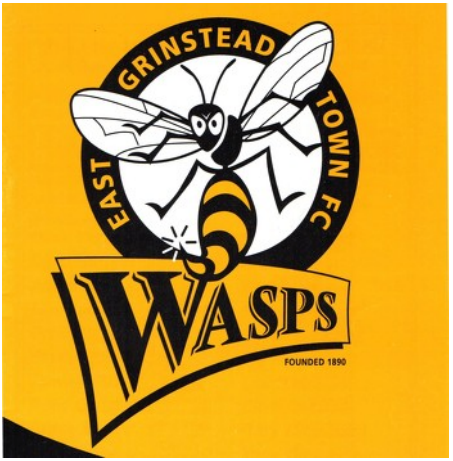
The programme also carries information about the not too far away 2002 Bonfire and Fireworks Spectacular that we would hold at the ground in a couple of weeks.

Onto the game. We were having a reasonable season and were sixth in the league. That Steyning thrashing had been the only league match we had so far lost although five of our 10 matches had been drawn. Steyning were a couple of places below us. And it was our visitors who were to make progress in the cup competition with yet another thrashing.

We did manage a goal this time – from Chris Arrow – but Steyning helped themselves to six goals. (And we played them again three weeks later in another cup competition, and we lost that one 2-0. However, the home league match in February did see success with us winning 3-1).

Saturday 26 October 2013 saw us at home to Shoreham in division 1 (the top tier) of the Sussex County League with a large-sized wasp on the front cover threatening you. And inside my programme is a flyer for that year's Firework Display (which was to be a week earlier than in 2002) – was this to be the last year we did the fireworks?

CONTINUED ON PAGE 11



A rather menacing Wasp on the cover of our 2012

Richard Tramontin's programme notes tell us that we had had a good few weeks in October with four consecutive wins, but that had rather come undone on the last Tuesday evening when a severely understrength team went to play Horsham YMCA in the Sussex Senior Cup – we had 11 players who had played for the first team missing through injury, illness and work commitments.

Manager Simon Funnell had even had to go on as a substitute for the last 20 minutes as another three of our players fell to injuries during the game – which we lost 5-1. Nevertheless, he was hoping that a number of those missing players would be available for the Shoreham match.

There was news about our reserve team in the Suburban League who had lost 3-1 away to Erith Town in the two-legged league cup. However, a 5-1 win in the home leg of this cup competition meant that we had gone through to the next round.

The programme's league table shows that we were in the middle of the table while Shoreham, without an away win so far, were three places below us. And we were able to make up for that midweek defeat with a 4-1 win - with none of our goals coming from our forwards.
John Sinclair notched up a couple of the goals with Dave Gellatly and a Shoreham defender also scoring. (Incidentally we were then playing Horsham YMCA again just three days later in the County League's own cup – although this time here at East Court giving us an early opportunity to make up for that 5-1 loss. In the event heavy rain meant the game was not played until the middle of November, when we lost 1-0.)

If any of you have had your memories jogged by this piece then I'd be happy to hear from you at lestermedcalf@btinternet.com

Another Wasp - for our programme against Shoreham in 2013.

HERNE BAY

A POTTED HISTORY OF THE CLUB

It could be argued that Herne Bay FC had their most successful season in their 125th year. Having been runners up for two consecutive years in the Kent League they secured the League Championship with games to spare and had a superb run in the FA Vase becoming only the second Kent League club to reach the semi-final stage where they went out to Northern League side West Auckland Town over the two legs by the odd goal in seven (4-3.)

Herne Bay was formed in 1886 and began life in the East Kent League, then having a short period in the Kent League before winning the East Kent League in four successive years between 1902 and 1906 returning to the Kent League as a result.

1953 saw the move to Winch's Field. Over 1000 spectators saw their first match at their new home; a 2 - 2 draw against Tunbridge Wells Reserves in Kent League Division 2. Within two years they lifted the Division 2 title, winning promotion to Division 1. In the 1957-58 season, the club won The Kent Amateur Cup beating Bromley 2 - 0 in the final. The following season saw the Kent League fold and a move to the Aetolian League followed. The 1964-65 season saw another move to Division 2 of the Athenian League, where they enjoyed several successful seasons followed by promotion to Division 1 on winning Division 2 in 1970-71. A good run in the FA Cup saw the Bay reach the 4th qualifying round, where they lost to the then 'mighty' Margate in front of a record home attendance of 2303.

At the start of the 1974-75 campaign, the Club returned to the Kent League, and in the 1978-79 season, they had good runs in the Cup competitions; defeating Welling United in the Kent Senior Trophy Final and losing to Sheppey United in the Kent League Cup. The nineties saw the Club become the most successful and consistent side in the Kent League, winning four Kent League titles. The 96-97 season was without equal in the history of the Kent League. Within the space of four weeks, the Club won the Kent Senior Trophy, The Kent League Division 1 Cup and The Kent League Championship. A unique treble!

A complete change of management and playing staff took place after the 97-98 season, with manager Tommy Sampson leaving the Club to take over the reins at Deal Town taking the majority of the established first-team players with him. That Deal Town side became the first Kent League club to win the FA Vase at Wembley in the last ever Vase Final staged at the old stadium in May 2000.

The team had a fantastic 2000/2001 season finishing runners-up in the Premier Division, scored 93 goals in the league. Nick Denly (father of England cricketer Joe Denly and current Herne Bay manager Sam Denly) received an unprecedented three manager of the month awards in his first full season at the helm. However, the following season proved to be one of great disappointment. Exiting all cup competitions at the first round stage and finishing a poor seventh position in the league, despite being one of the few teams to defeat league and cup double winners, Maidstone United.

A major grant was awarded to provide new perimeter fencing and refurbishment of the changing facilities and these works were complete prior to the start of the 2003/2004 season when the club celebrated 50 years at Winch's Field.

In 2011-12 Herne Bay swept all before them, narrowly missing out on a Wembley appearance in the FA Vase and capturing the Kent League Premier Division title and promotion to the Ryman Isthmian League.
