WELCOME TO EAST GRINSTEAD TOWN

Good afternoon and welcome to Wasps' supporters and everyone who has made the trip across from Crawley with Three Bridges. It seems a bit odd in mid-April to be writing the last programme of the season. Not so long ago, we used to play three games over Easter and still have eight or nine games left to play! That of course was in our County League days and our chances of avoiding a return to Step 5 were significantly boosted by last week's win over Phoenix. It's still three points, but winning against teams in and around you seems to be worth a lot more.
I'm writing this before Friday's game at Chichester. Hopefully a good result there sets us up nicely today before we finish at Hythe on Saturday. Come of the Wasps!

East Grinstead Town FC is a registered Community Amateur Sports Club.

MANAGER'S NOTES

DREW COONEY

We welcome everyone back to the to the OHOB Community Stadium for today's game against Three Bridges.

Having played in many of these fixtures I know too well how much this means to the club and the fans of both clubs.

After a great result last week at home to Phoenix where we gained a well-earned three points the boys have been in good spirits leading into Good Friday's fixture away to Chichester.

There was a lot of tension leading up to last week's game and I thought the boys were excellent in dealing with the pressure of the game. A lot of people forget we have seven lads in the matchday squad that are 21 or younger.

Special mention will obviously go to man of the match Ben Aubrey. I thought he was excellent from the very start and was a handful all game. Another mention goes to Max Walsh who has been very patient since he came in.

We have asked him to play a number of roles which are not his ideal position, but he has just got on with what we have asked of him. He came on when we needed something different last Saturday and delivered a crucial goal.

Two clean sheets in a row now is also very pleasing and we need to work to continue that defensive discipline to allow us to achieve our targets of staying in this league.

As this is the final home game of the season, I'd like to thank everyone both behind the scenes and behind the goal and in the stands for your support. It's been an eventful campaign but if we maintain recent standards I am confident we will be playing at this level again in August and taking the club forward.

I hope to see you at Hythe on Saturday, but enjoy the summer.

Thanks again for all your continued support for myself, Ian and Sarg.

CHAIRMAN'S NOTES

RICHARD TRAMONTIN

Good afternoon everyone and welcome to The OHOB Community Stadium for our final Pitching In Isthmian League South East Division home match of the season against Three Bridges.

I trust you have all had a Happy Easter.

I would like to extend a warm welcome to the Bridges' players, officials and supporters as well as this afternoon's match referee Timothy Godfray and his assistants Mark Gidman and Nick Blogg. I trust you all enjoy your visit to East Court and our hospitality.

Because of the Easter holidays, I have had to write this column before our Good Friday match at Chichester City so unfortunately, I don't know our current position in the league – a win could have moved us up a place or at least kept us in 16th spot, whereas a draw or a loss could potentially have seen us drop two places into a potential play-off place.

I am naturally hoping that we got something from our travels on Friday, but however that match finished Drew Cooney and the lads will be aiming to complete the double this afternoon over our local rivals Three Bridges and to move closer to securing our place in the Isthmian League.

We went to the Jubilee Field on New Years Day and came away with a 2-1 win with our goals coming from Andrew Briggs and Alex Battle. Jamie Crellin and his Bridges' team will be looking to avenge that home defeat and will not want to do us any favours this afternoon, so it should be another well contested local derby.

Wednesday's update from the FA in relation to Step Four and Five clubs has not clarified the situation regarding relegation from Step Four. It is clear that the clubs finishing in the bottom two places will be relegated and that the third from bottom club with the best points per game from the eight Step 4 leagues will be reprieved. This would leave the remaining seven clubs competing in Inter Step play-off matches against Step 5 clubs finishing in second place. However it is not clear what the impact will be, now that two clubs will be relegated to Step 5 (subject to appeal) because of failed ground grading inspections.

A further two third from bottom Step 4 Clubs being reprieved perhaps? The FA statement says: "We will endeavour to provide a further update on promotion/play-offs/reprieves/Inter-Step Play-Offs/relegation when communicating the Inter-Step Play-Off fixtures on Sunday 24 April 2022."

Our goal must remain to finish out of the bottom three and three points today will certainly help our cause.

Our final league match of the season is this coming Saturday, the 23rd April away at Hythe Town.

I would like to take this opportunity to thank all our loyal supporters for their great support and encouragement throughout the season. I know Drew and the lads thoroughly appreciate it and I sincerely hope we can all look forward to another Isthmian League campaign next season which kicks off on Saturday 13th August. My sincere thanks goes to all our volunteers without whom, we just wouldn't have a club.

I would like to thank you all for coming along this afternoon and whatever the outcome of the match, I trust everyone enjoys their visit to The OHOB Community Stadium and I wish you all a safe journey home.

Richard Tramontin (Chairman)

PROGRAMMES FROM THE PAST

We start our look back at programmes for past games played on or about today's date with East Grinstead v Arundel on Saturday 17 April 2004 in a Sussex County League division 1 match.

The programme has very warm words for our visitors as they had won the Sussex County League Cup a few days earlier on Good Friday when they beat Rye 2-1 at Eastbourne Town's Saffrons ground. (We ourselves had won another of the major Sussex Cup competitions that season with a 4-0 win against today's 2022 visitors from a few miles along the A264 - Three Bridges of course - in the final of the RUR Charity Cup.

This match was played towards the end of March. Incidentally we played Three Bridges at home in the league one week after winning that Cup Final, and they beat us 3-1!)

And talking of Cup Finals we at East Court had hosted the County League division 3 Cup Final – also on Good Friday – and the league had been very pleased with how we ran things that day.

Some 400 people had watched the game and our Treasurer was reported to have a bad foot which was "rumoured to have been caused when he dropped the day's bar takings!"

One of the features of the Arundel team was their leading goalscorer Miles Scerri who had so far scored 46 goals. Our programme had a list of Arundel's results for the season – plus goalscorers – and one result stood out. They had played Pease Pottage in an early round of the Sussex Senior Cup and they won 15-1 with Miles Scerri scoring ten of the goals.

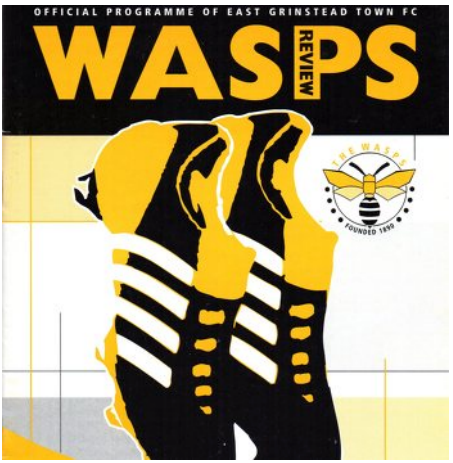
We had played our away match at Arundel in January and had come back home with a 5-3 win with the above Miles Scerri not scoring that day. However our 2022 manager Drew Cooney did score one of our five goals and he was at the start of a mini goal-scoring spree with another goal in each of our following two games.

So how did the game go? The programme shows that we were in seventh place with another three games to play while Arundel were one place below us on the same number of points but with five more games to play.

However we had rather gone off the boil after our RUR Cup win and Arundel took full advantage of this. We were never in the game and with a lack of spark on what was a hard dry pitch we made things fairly easy for our visitors.

We made a number of mistakes – with Dave Tidy in goal having a bit of a nightmare – and Matt Thorpe's last minute goal for us went nowhere near getting us close to Arundel's four goals that afternoon. I don't know what Miles Scerri did that day.

CONTINUED ON PAGE 11



Arundel cover 2004. A bad day at the office!

Saturday 18 April 2009 saw us making the long trip down to Selsey in the County League's division one.

The Selsey club notes welcome us with a reminder that the season had started with their visit to East Court back in August which they remember very warmly as they went back home with a 2-0 win.

We had also gone down to Selsey a little later in a League Cup match with Selsey again coming out on top with the only goal of the match.

The notes go on to say that we "are one of four clubs striving to achieve a fourth from bottom place" to avoid relegation of the bottom three clubs – and we are therefore keen to gain a win.

We have a page of pen pictures of our players, though Ray Collier is listed to play in goal for us – but doesn't get a pen picture. In contrast to Michael Belli who isn't listed in our team but we are told about him.

We also get a summary of league matches between the two teams, starting in the early 1980s (though we are told that "other results are being researched").

In fact we hadn't played each other that often. We'd made six trips down to Selsey – and lost them all. And we hadn't scored a single goal. Back here at East Court we had won four, drawn once and lost two.

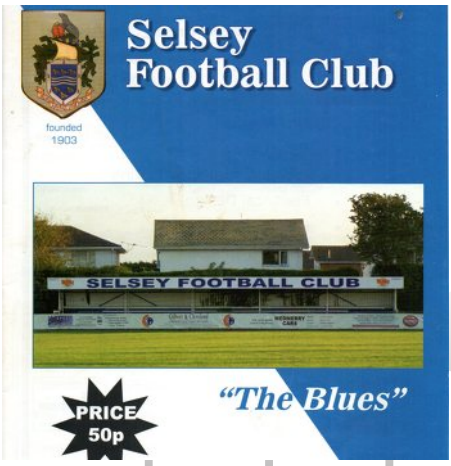
And we get a few extracts from match reports in the local press – very much a thing of the past these days. One of the extracts was for a game in January when Selsey travelled to play Three Bridges – 1-1 with 3 minutes left and then Selsey scored three times to win 4-1.

You already know that we were too near the bottom of the table for comfort in 17th place while Selsey were 12th. Did we at last manage a win down there? I'm afraid I can't remember even though I went to the game.

I don't have any more programmes for the 2008/09 season to look up the result. However we did keep out of the bottom three at the end of the season – so maybe a point or three at Selsey helped?

If any of you have had your memories jogged by this piece then I'd be happy to hear from you at lestermedcalf@btinternet.com.

See you again in August!



Cover from our 2009 trip to Selsey. Anyone know the score?

THREE BRIDGES

THREE BRIDGES - THE ISTHMIAN LEAGUE YEARS

Their first season in the Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid February, they went on a run of 11 matches that produced seven victories. It meant that they survived the drop, but their second season saw them struggle at times again but some key signings midway through the season helped them to 19th place.

The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into seventh position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated six points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation.

For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again.

That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost three games all season.

After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George.

After losing eight out of 12 League games by the end of November, as well as being knocked out of all four cup competitions the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, but that didn't last and Martin's demise was inevitable by the end of February.

Paul Faili stepped in for the remaining nine games of the season and they finished 14 points clear of relegation in 14th.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury, having made 164 appearances for the Club.

2021/22 saw Crellin take over as First Team Manager, with both Danny Lee and Lee Cole (former Academy manager and coach) returning to the club to join Jamie in the dugout as assistant manager and First Team coach respectively.

Respect

The Isthmian Football League strongly supports the FA statement that there should be a zero tolerance approach against racism and all forms of discrimination. Accordingly any form of discriminatory abuse whether it by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action by that Association."

The FA 0800 085 0508
Kick it Out 020 7253 0162

The Isthmian League and all Member Clubs in the League are committed to promoting equality by treating people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities

for all members of the community.
