WELCOME TO EAST GRINSTEAD TOWN

Good afternoon and welcome to everyone who has made the short trip from Haywards Heath today.
Despite a couple of slip-ups in recent weeks Heath are having a great season and only two clubs have won more than their ten games so far. They also have the joint second-best defensive record too, and of course beat us 4-1 on the opening day of the season.
A lot has changed here since then and the team and squad are still evolving. We've had a tough run of games and some difficult opponents lie ahead during the festive period but Drew and Becks firmly believe we are close to turning our form around and climbing the table.
A reminder that our next home game is now on Tuesday, December 28, kick off 3pm against Ashford United. Don't worry, it's a Bank Holiday so we hope to see you then and in the meantime have a Happy Christmas.

East Grinstead Town FC is an unincorporated Community Amateur Sports Club.

MANAGER'S NOTES

TONY BECKINGHAM

Unfortunately, I am going to sound like a broken record but although we are still winless since Drew and I took over, we are still so optimistic and upbeat for the remainder of the season. There are so many games left and so many points to play for, we're adamant that we will pick up enough of those points to stay in this League. Nothing of course can be guaranteed but with the players that we have signed added to those that were already here, it can only be a matter of time before we get that elusive three points. Once we get the ball rolling, I'm convinced that will be the start of us climbing up the table.

Unless Harry Potter turns up in our dressing room, we are not able to wave a magic wand and make everything better. The only way we can do that is by working hard in training, so we give ourselves the best opportunity once Saturday comes round. The players have been excellent this week and have really brought into what we're trying to do. As I keep saying, these things take time and unless we win the lottery and money is no object then we must do it the hard way. Everyone is prepared to put it in, and we cannot fault the attitudes of the players that are pulling on the shirts, they are desperate to do well for the club. Let's face it, it's what we all want.

Last week against Hastings was not a nice experience, 5-0 was not a fair reflection but that was the score, and we must take it on the chin. They were a good side, but we went toe to toe with them, the difference was mistakes and clinical finishing. We need to cut out the silly errors and allow ourselves to stay in a game.

If we can do that we now have the players who can get us a goal and give the team something to hold on to. It doesn't get any easier today with Haywards Heath who are flying right now although they had a shock defeat against Whitstable last week. We are under no illusions that they will be looking to put it right against us. We are also hurting from our game against Hastings and will be equally determined to get a result that nobody apart from us will expect.

Like I said, this cannot continue with the players we have and the hard work that's going in during the week. I cannot guarantee it's going to happen today, but it wouldn't surprise me if it does. Either way, this is a marathon not a sprint and we are all prepared to put in the hard miles to get this right.

Good luck to us!

CHAIRMAN'S NOTES

IF ONLY STUART WOULD TAKE A BETTER PICTURE OF ME...!

Good afternoon everybody and welcome to The OHOB Community Stadium for today's Pitching In Isthmian League South East Division match against Haywards Heath Town.

I would like to extend a warm welcome to all the Heath's officials, management, players, staff and supporters, as well as all Wasps supporters and this afternoon's match referee Howard Collins and his assistants Joshua Gilham and Harry Wood. I trust you all enjoy your visit to East Court and our hospitality.

Anyone that wasn't among the 801 supporters at Hastings last Saturday will have obviously looked at the scoreline and assumed we had been absolutely battered but I can honestly say that wasn't the case - and my glasses aren't rose tinted.

Preparations for the match were far from ideal with two players missing from the starting line-up having unbelievably gone to Margate instead of Hastings (!!). Nonetheless we started brightly against one of the key contenders for promotion but two mistakes led to us going in 2-0 down at the break after an even first half.

The second half started with Wasps looking good again enjoying some good possession but not really troubling the Hastings defence in the final third. We conceded a third 15 minutes into the half from a header in the six-yard box from a cross on the right when it looked as if we should have been awarded a foul just before.

Credit to the lads, they didn't give up and played some good, controlled football but then conceded a further two goals at the death. My thanks to the fans who made the journey to the right coastal resort and were fully behind the lads throughout.

They could be heard throughout the match although heavily outnumbered. I am sure they will agree that the signs were there to be seen and hopefully this afternoon, we can avenge our opening day defeat and extremely poor display against today's visitors.

Haywards Heath will be a tough test this afternoon. They are currently in third spot although they suffered a surprising defeat last Saturday against Whitstable Town having trailed 3-0 until the 65th minute when former Wasps Jerson Dos Santos then pulled one back and Luke Robinson another five minutes later, but their second half rally wasn't enough. The Heath squad included four former Wasps who will probably feature again today, besides Dos Santos, Byron Napper and Tom Cadman also started with Gil Carvalho on the bench.

This afternoon's match will be our last home match before Christmas and on behalf of everyone at the club I would like to wish you all a very Merry and above all healthy Christmas. We are away to Whitstable Town next Saturday and then host Ashford United here on Bank Holiday Tuesday 28th December (3pm kick off) – please note that this fixture was originally scheduled to be played on Monday 27th so if you had noted it in your diary, don't forget it's been changed.

The Under-23s match at VCD Athletic on Tuesday was postponed due to a waterlogged pitch. Andy and Grant's team are scheduled to play their last match of 2021 in the Development League at South Park on Wednesday (ko 7.45pm).

Our Southern Combination League Under-18s are away tomorrow against Roffey (ko 11am). Our Isthmian League Under-18s are here against South Park on Thursday (ko 7.30pm).

I would like to thank you all for coming along this afternoon and whatever the outcome of the match, I trust everyone enjoys their visit to The OHOB Community Stadium and I wish you all a safe journey home.

Richard Tramontin (Chairman)

PROGRAMMES FROM THE PAST

We'll start looking back at this week's programmes from the past with East Grinstead v Southwick on Saturday 11 December 2004 in the top division of the Sussex County League.

The club notes welcome our visitors from the south coast with a reminder that we have already played them twice - here at East Court in the RUR Charity Cup when we won 3-1 and then down at Old Barn Way in the league in the middle of November. We were having a decent run of results prior to this trip but we had a bad day and Southwick had won 4-0.

But what the club notes really wanted to talk about was the league match we'd played three days before the December match. Firstly it was played on the Wednesday evening and not on our normal Tuesday evening.

Secondly it was against Three Bridges, our biggest local rival (and they still are of course in 2021). In our County League days we normally played Three Bridges midweek early or late in the season with healthy crowds watching.

The atmosphere for the December game was very muted. Not helped by the weather – mist in the first half was followed by the arrival of some thick fog during half-time.

And after a couple of minutes play in the second half the ref (sensibly) called the match off. Nobody had scored and so nobody had anything to lose by the abandonment.
And the notes talked about another rather unusual event – though nothing to do with ourselves.

County League side East Preston had recently sacked their manager. This had led to protests from the club's players - with both first and reserve team players refusing to play in their next games.

We also have an interesting couple of pages showing the results of every game against Southwick since World War 2. There was only one season when we had won both league games – the first season after the war when we had won 7-2 and 4-3.

On the other hand Southwick had done the double several times, with 6-1 and 5-0 wins in season 1998/9 standing out. Low scoring also featured with 6 consecutive games in the 1970s producing a total of 4 goals – 3 of the 6 games saw no goals at all.

The programme shows us in 16th place (out of 20 teams) with Southwick doing better in fifth. We were off to a good start with Kris Trevor scoring after 10 minutes and it got better towards the end of the first half when Lee Hanson scored, with a third from Chris Arrow on the hour. With a couple of minutes to go we had a penalty.

The 2004-05 programme cover

CONTINUED FROM PAGE 10

Dave Gellatly saw his kick saved by the Southwick keeper though Dave put the rebound away – only for the goal to be incorrectly disallowed by the referee. However there was still time a couple of minutes later for Dave to score a goal that was allowed this time for the 4-0 win.

Five years later we have East Grinstead v Hailsham on Saturday 12 December 2009 – in the County League top division. The front cover shows manager Steve Johnson and Ken McCreadie in conversation.

I assume this photo had been deliberately chosen as Ken McCreadie was now manager at Hailsham having left us 2 weeks earlier- though 8 months before that he had left Hailsham to become our head coach!

Just as Bruce Talbot couldn't understand the workings of the league's fixture man in the Southwick programme above so he couldn't understand the workings five years later. This was to be our fourth successive Saturday home league match – at a time when the weather is likely to keep some supporters at home. (And two of our next three matches were also home matches.)

Manager Stave Johnson talks warmly about the previous Saturday's match at home to third place Wick which was one of the best games all season in a 2-2 draw.

In particular with 20 minutes left and Wick 2-1 ahead manager Steve pushed centre-half Matt Crane up to the forward line and within a minute Matt scored to level things up. But while Steve was happy with that he wasn't quite as happy with 3 of our players about to start suspensions.

League tables show that we are not doing too well – we are 16th (out of 20 teams), though our visitors were doing even worse. Even though they had played 4 more games than us Hailsham were three places lower with just Crowborough below them. We had already played the away game – back in August – and had come home with a 5-1 win with goals from Simon Funnell, Ben Burns, John Sinclair, Matt Crane and Dan Evans.

So how did things go in December? It was another win for us. Danny Powell with a hat-trick plus a Luke Piscina goal gave us a 4-2 win.

But then things got much much worse as 3 days later we lost away to St Francis on an icy pitch. This was followed by 5 weeks of inaction as winter hit hard.
And when we managed to restart we had a dreadful run of one draw and nine defeats in our next ten matches – very much relegation form.

If you've had your memory jogged by any of the above then please contact me on lestermedcalf@btinternet.com.

HAYWARDS HEATH TOWN

The first match to be played by a team representing Haywards Heath was in March 1888, which provided the impetus for the formation of Haywards Heath Juniors.
After a brief change of name to 'Excelsior' in 1894, the club adopted the name Haywards Heath FC in 1895. Without a home ground, the club led a somewhat itinerant existence in its early days, playing most of its games away until 1895 when it was offered the use of the field in South Road which was later to become Victoria Park and the club's home venue until 1952.
Haywards Heath FC lifted its first silverware in 1900 when it won the Sussex Junior Cup and played in the Mid-Sussex League as one of the founding members. In 1919-20 Haywards Heath were champions without losing a game. They won the title again in 1922-23 and went on to retain it for the next two seasons, losing only one match in each season.
In 1926 the club transferred to the Brighton, Hove & District League and, after winning the league title at the very first attempt, joined the Sussex County League the following year. The first five seasons in the County League (1926-1932) saw the club finish in the top four but they were sadly to finish bottom of the league in the 1932-33 season.
In 1941-42, the club were winners of the Sussex Senior Cup and, after the war, were the league's Eastern Division winners of 1945-46. A single division league was re-introduced the following year which the club won in both 1949-50 and again in 1950-51.
1952 saw the club finally move from Victoria Park to the newly finished Hanbury Stadium which enabled it to join the Metropolitan League which included the reserve sides of professional clubs such as West Ham, Tottenham, Chelsea and Arsenal. After a promising first season finishing in fifth place the club struggled against the professional opposition and after finishing bottom in 1960-61, elected to re-join the Sussex County League.
The Division 1 title was won in 1969-70 and the League Cup in 1972-73. The club was also runners-up in 1974-75 but were relegated at the end of the 1979-80 season. The Division 2 Cup was won in 1983-84 and, as runners-up in 1985-86, the club again gained promotion back into the senior division.
In 1988 the present name of Haywards Heath Town Football Club was adopted in its centennial year to reflect the 'town' status of Haywards Heath itself.
Two successive relegations in 1992 and 1993 saw the club drop into the third division where they won the Division 3 Cup in 2000-01. The following year as Division 3 runners-up, Heath were promoted back to Division 2 but were again relegated after only one season. The Division 3 Cup was won in 2008-09 however and in 2012-13 (again as runners-up), the club gained promotion back into Division 2.
On the rebranding of the Sussex County League to the Southern Combination in 2015, Heath won promotion to the Premier Division as champions. They came top of the division the following season and were due to be promoted to the Isthmian League. Unfortunately, promotion was denied following a nine-point deduction for an administrative error. The club however responded by winning the Premier Division again in the 2017-18 season and enjoyed a successful 2018-19 debut in the Isthmian League, finishing in a very respectable fifth position which qualified them for the play-offs at the first attempt.

Respect

The Isthmian Football League strongly supports the FA statement that there should be a zero tolerance approach against racism and all forms of discrimination. Accordingly any form of discriminatory abuse whether it by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action by that Association."
