WELCOME TO EAST GRINSTEAD TOWN

Good afternoon and welcome to everyone who has made the trip up from Hastings United.

Our opponents today are pretty much certain to be playing premier division football next season, such has been their consistency in the last few months. We wish them well as and when they make the step up.

Our ambitions are more modest, and last Saturday's win over Burgess Hill came as something of a relief. The winning strike from Andrew Briggs was worthy of a much higher level and it gave us some breathing space above the bottom two.

Six more cup finals to go, starting today. Come on the Wasps!

EAST GRINSTEAD TOWN FC IS A REGISTERED COMMUNITY AMATEUR SPORTS CLUB.

MANAGER'S NOTES

DREW COONEY

We welcome everyone back to the to the OHOB Community Stadium for today's game against Hastings United.

After last week's much needed three points we go into today's game full of confidence. Playing Hastings who are runaway leaders straight after last week's win is not ideal as we would have liked to put together another run of wins which would have allowed us the opportunity for some much-needed points.

They have been in fine form all year and Gary who I know from my playing days has done a great job down there. Let's be honest, they have been in and around the top three in this league for several seasons now and in my eyes are one of the biggest clubs in Sussex.

They have a great balance of experience with the likes of Craig Stone, Sam Adams, Kenny Pogue and then the goal threat of Ben Pope along with a conveyer belt of good youth players. I've always loved to play home and away against Hastings as they have a fantastic fan base.

We know we will have to be at our very best to get anything out of today's game and it was great to have Tariq Straker back last week at left back, this instantly gave us a bit of balance as we had been playing without a left-footed defender for five games.

I think the lads in the middle of the park Miles Cornwell and Andrew Briggs have been working their socks off for the last few weeks and it was great to see them get their rewards against Burgess Hill.

We also welcome back Tommy Saunders today after his two-game suspension and his energy in and around the middle of the park will be critical.

As I've been saying to the guys for the past few weeks, now we have six cup finals left to play to secure our position in this League. Today was not one of the games we have planned to gain these points but we will nevertheless be working as hard as possible to get something from the game, which will then hopefully ease some of the pressure in the remaining games.

All your support is very much needed today and in the remaining few games to make sure we get the job done and remain in this league and we build on it next season.

Good luck to us - Drew.

CHAIRMAN'S NOTES

RICHARD TRAMONTIN

Good afternoon everyone and welcome to The OHOB Community Stadium on this Non-League Day for today's Pitching In Isthmian League South East Division match against Hastings United.

I would like to extend a warm welcome to all the Hastings' officials, management, players, staff and supporters, as well as to all Wasps supporters and this afternoon's match referee Chris Williams and his assistants Aleczander Ovens and Connor Fanelli. I trust you all enjoy your visit to East Court and our hospitality.

Non-League Day is supporting Prostate Cancer UK and you will see we have a collection bucket at the entrance to the ground. I would like to thank you for any donations, all of which will go to the charity. Thanks for your support.

Today's match is important for both clubs - our visitors are looking for their next step towards securing automatic promotion as soon as possible and Wasps are looking to build on the all-important win last time out and to move away from the relegation places.

Gary Elphick's U's are currently 12 points clear at the top of the league with six matches to play including today. They are on an eight-match winning run having last dropped points two months ago at home against Burgess Hill who coincidentally Wasps beat here last Saturday.

We are looking to start our own run building on the well-earned 3-2 victory against Burgess Hill Town last weekend. That followed a run of just one point in the previous seven matches which itself came off the back of a run of eight matches unbeaten which started after an away defeat to, you guessed it, Hastings United.

It is extremely tight at the wrong end of the table. We are currently fifth from bottom, one point behind Hythe and one ahead of Lancing who themselves are one point ahead of Sevenoaks. Just four points cover us and Faversham who are three places ahead and we are nine points ahead of Whitstable in bottom place who have just appointed Andy Drury as manager, and they have a game in hand.

We travel to Sittingbourne next Saturday and host Phoenix Sports here the following Saturday who are currently second from bottom.

We are all looking on in absolute horror and total disbelief of what is happening in Ukraine. We stand in unity with the whole of football in support for the people of Ukraine, and to all those who are suffering innocently from the Russian invasion and we would like to encourage anyone who is able to, to donate through the British Red Cross to the Disasters Emergency Committee (DEC), which can be done by following this link https://donate.redcross.org.uk/appeal/ukraine-crisis-appeal . Thank you.

I would like to thank you all for coming along this afternoon and whatever the outcome of the match, I trust everyone enjoys their visit to The OHOB Community Stadium and I wish you all a safe journey home.

PROGRAMMES FROM THE PAST

A couple of programmes to look at for past games played towards the end of March. First up we have East Grinstead v Three Bridges on Saturday 27 March 2010 in Division One of the Sussex County League. The front cover of the programme tells us that the game will start at 7.30, but it was in fact an ordinary Saturday afternoon 3pm start.

Bruce Talbot's editorial notes suggests that games against Three Bridges are always a bit special, although playing each other on ordinary Saturday afternoons is a bit unusual – we were often playing each other over Christmas and Easter or, more commonly in light of our only being a few miles apart, we played each other in midweek matches.

The notes go on to remind us that in the away match – which was indeed a midweek match in September – we had won 4-2 after going 2 goals down. We had hoped that this was an indicator of the season to come.....

Bruce's notes also talk about the game on the previous Tuesday evening away to Eastbourne United when play was held up for 30 minutes following an injury – a broken leg – to one of the Eastbourne players. Manager Tony Beckingham also talks about that game though he says rather more about our "being beaten by another ridiculous penalty decision" for a foul that seemed to be well outside our penalty area. The successful penalty was the only goal in the match.

We still have room for full match reports of that Eastbourne game as well as two other first team games – all three matches being lost. And the league table and the results listing confirm that things are not going well. The league table shows us right at the bottom – though we had games in hand over most of the other clubs just above us – and the results listing shows that so far in 2010 we had won just one league match and drawn another but had lost the remaining nine. Very different to how it looked in September.

In contrast our reserves were having a better season in the Suburban League and were in fifth place out of the 17 teams in our league. We have short reports of their three most recent games – a draw with Merstham and then two league matches against Raynes Park Vale within six days with us winning 3-0 away and then 4-0 at home.

And did the Three Bridges match help us in our attempt to avoid relegation? My memory is that the match took place on a very wet pitch which got even wetter as the afternoon progressed and that Three Bridges' Lee Carney tore us apart. We did manage to score three goals with two from Joel Greaves and a third from Luke Piscina. Only problem was that Three Bridges scored seven.

CONTINUED ON FACING PAGE

An interesting cover for the Chichester programme in 2011

CONTINUED FROM FACING PAGE

More or less a year later and we have East Grinstead v Chichester City on Saturday 26 March 2011. As this was a County League Division One match you will have gathered that we managed to avoid relegation in the previous season as above. This was to be our fourth match against Chichester. We had a 1-1 away draw in the Sussex Senior Cup on a bitterly cold December evening which was followed by a 3-0 win in the replay (Rikki Cable, Liam Baitup and Danny Beszant scoring).

In early March we played the away league match when Rikki Cable twice and Liam Baitup gave us a 3-1 win.

Manager Tony Beckingham talks about the most recent league match against Eastbourne United who were bottom of the league by a long way "we put on our worst 45 minutes for as long as I can remember". Eastbourne had taken an early lead though Peter Cooper did equalise just before half-time. Strong words must have been used at half-time as it was a much better second half with Ashley Alexander, Marc Pelling and Rikki Cable scoring for us to win 4-1.

Our reserves again get a mention with news that in a recent game against Redhill our opponents had three men sent off and we took full advantage to win 9-1.

The league table shows us in sixth place with Chichester 13th. A busy fixture list tells us that this would be our seventh match in March with another nine to come in April. These nine matches would include both matches against league leaders Crawley Down taking place just six days apart.

Programme editor Bruce Talbot only has half a page to himself, much of which he uses to congratulate our 2022 manager Drew Cooney on having recently made his 200th appearance (he must now have made some 350 appearances.)

The Chichester match? A 5-0 thumping win for us with two goals for Joel Hughes backed up by Peter Cooper, Mike McKenna and of course Rikki Cable.

If you've had your memories jogged by this piece then I'd be happy to hear from you at lestermedcalf@btinternet.com
